

# CANCER & HEMATOLOGY CENTERS OF WESTERN MICHIGAN

## New Muskegon Location Opening August 26, 2019

The physicians of Cancer & Hematology Centers of Western Michigan (CHCWM) have been providing oncology and hematology expertise for over 30 years to the lakeshore region. As treatments become more complex, CHCWM has outgrown its existing space at the Johnson Family Cancer Center.

On Monday, August 26th, CHCWM staff will begin seeing patients at their new location at 6425 South Harvey Street. CHCWM intends to work closely with Mercy Health to bring the most advanced cancer research to this new facility.

The proximity of our new location to the Mercy Health Comprehensive Breast Center and the Mercy Health Bladder Control Clinic at our Lakes Village Campus will offer our patients continued convenience and access. The Mercy Health Johnson Family Cancer Center continues to be a comprehensive community cancer center as accredited by the American College of Surgeons. Radiation Therapy, multi-disciplinary patient treatment planning, resources services offered by the Patient and Family Resource Center, and our Support Groups will continue at the Johnson Family Cancer Center.

We will continue to coordinate our patients' cancer care with CHC – just as we do today. Mercy Health is committed to being a patient-centered destination for providing the full range of cancer prevention, treatment, and care, using the most advanced technologies, including TrueBeam and RapidArc radiation therapies.

Please call us toll-free at (800) 411-7999 if you have any questions.
